

New Ladies loo at Bodmin

Thursday 19th August 2021 saw the grand opening of the refurbished ladies loo at Bodmin Airfield.

A small crowd of members gathered around to watch Veronica Fawkes cut the 'ribbon' and announce that the Club's toilet was now officially operational. The new toilet boasts a warm air hand dryer, new toilet, seat, washbasin and accessories plus it will soon have one wall adorned with framed pictures of aviatrixes.

We all applauded and congratulated Roger Davis on a fine job and thanked him for all of his hard work.

Good Job done Roger
